

**EMBRY-RIDDLE AERONAUTICAL UNIVERSITY
DEFENSE ACQUISITION UNIVERSITY
2003-2004
ARTICULATION AGREEMENT**

It is indeed a pleasure for us to introduce this 2003-2004 Articulation Agreement between Embry-Riddle Aeronautical University (ERAU) and Defense Acquisition University (DAU). This Articulation Agreement is a special attempt to encourage students to transfer to the Associate/Bachelor of Science in Technical Management or the Associate/Bachelor of Science in Professional Aeronautics programs offered by ERAU and to smooth the transfer process by minimizing loss of academic credit and/or lack of information about the process. The Agreement is a quick and clear reference showing how DAU's courses are applicable to ERAU's Technical Management and Professional Aeronautics associate/baccalaureate programs.

We hope you will carefully review the Articulation Agreement and take advantage of the comprehensive information you find in its pages.

Please feel free to contact your ERAU representative for any additional assistance you may need.

Sincerely,

Robert E. Myers, Ph.D.,
Chancellor, Extended Campus
Embry-Riddle Aeronautical University

Sincerely,

Ronald C. Flom
Colonel, U.S. Army
Commandant
Defense Acquisition University
